PRINTS

Photographic Print Collection

All prints come with a linen texture and mounted on a stiff black board for easy framing. Only professional photo papers are used so that you get the highest quality photographic prints available. Choose from either Fuji Deep Matte or Fuji Pearl Paper for your heirloom images. Traditional framed prints are also available in a variety of natural solid wood and metal frames, hand-inspected to gallery quality.

Fine Art Giclée Canvas Gallery Wraps

Fine Art Giclée Canvas Gallery Wraps are printed directly onto museum quality canvas material using high quality archival inks. The canvas print is then wrapped around a stretcher frame so that the photo's edges are visible on the sides of the frame.

Maple Wood Collection

Have your images printed on real maple wood. The beauty of the grain comes through on the lighter colours giving it a warm and gentle feel.

Metal Print Collection

A beautiful blend of form and function, metal prints are scratch resistant, waterproof, and offer an incredible iridescence not found in other kinds of prints.

Schedule an appointment to see for yourself the quality of these prints.

BOOKS

Light&Memories Photography

Book design and ordering policies

Light and Memories Photography will pre-design a book with artist-selected images to give you the benefit of a complete storyline. We work with you to finalise image selections and design, offering our expertise as needed. Albums include two rounds of revisions. The first round is for the majority of the revisions (90%), and the second is for final changes (10%).

If you require additional revisions or retouching, our standard hourly design rates apply.

Book designs allow for an average of 2.5 images per page and up to 3 images per page max average, to allow for flexibility and artistic integrity.

Certain times of the year require longer wait periods, based on workload. The sooner you approve designs, the sooner you will receive your book.

I understand and agree to the following:

The book will not be placed in final production until proposed layout is approved in writing.

Once the final book order is placed, production may take up to 8-12 weeks to fulfil or longer, depending on time of year order is received, i.e. album orders placed the following year during our wedding high season will take longer due to workload.

Orders placed after September 1 may not be delivered until the next calendar year.

Books are custom created products. Once this agreement is signed and received the order cannot be cancelled, nor can the book be returned.
